POTOMAC MIDDLE SCHOOL

A welcome message
from
Ms. Preston

Greetings,

I am so excited to begin my role as the new principal of Potomac Middle School. I am looking forward to the 2022-2023 school year and the opportunity to meet my new students and staff. This school year cannot be a success without you! I hope to establish relationships that will help make this school year the best year yet! Over the summer I will be working to plan a year full of exciting learning opportunities. This year we will continue to execute our school's mission of "Staff, Students, and Parents Working Together as One".

MY CORE BELIEFS

- Organizational Coherence: Improving our systems and procedures.
- Instructional Core: Setting high expectations and ensuring that instruction is a top priority in all subject areas.
- PBIS: Positive Behavior Intervention Systems that support and reward positive student behaviors.
