Pick up

Panther Parents! We would like to thank you for all you do to allow your child to participate in athletics. We understand that there's a lot of work that goes into being a student athlete which means there's also a lot of work that goes into parenting one. We would like to remind our parents of student athletes that practice ends at 5PM and we advise parents to arrive by 4:45 PM to beat traffic that may build up. Consistent tardiness with pick up may result in an athlete being unable to participate in sports.
